We do not share any of our stock icons on this site. We do not share ANY of the source files nor the icon templates. If you find any of our

icons on this site, that means you have to contact the designer and request permission to use his work. **THIS ICON SET IS NOT INTENDED FOR COMMERCIAL USE IN ANY WAY.** You are allowed to use icons only for educational and personal purposes. Why do we make Custom Icons? We have to do it for ourselves and others! We are icons designers and we understand the importance of having appropriate icons for apps, websites and just about any type of media. But you see, we are not 'typographic designers' (i.e. not 'typographers'). This is why we made this

site. We want to share our experience with people so they can design their own icons. Download the biggest icon pack of the century! Every icon is hand picked by our small and dedicated
