You will have to fight difficult enemies, including enemy bosses, to bring peace and harmony to the lands. ■ Character Creation Create your own character. You can freely choose your character's appearance, including the shape of your face, whether you are a man or woman, your hair color, your skin color, etc. You can use one of the 14 races (Human, Dwarves, Elves, etc.) and use one of 10 classes (Saber, Archer, Necromancer, etc.) to create your character. When creating your character, you will be able to freely select your class and race. In addition to this, you can also freely choose a name and "Mount" at the character creation screen. Furthermore, you can freely combine weapons, armor, and spells by using a "weapon + armor" or "weapon + spell". ■ Character Growth By leveling-up your character, you will obtain various skills. Elden Ring: Tarnished works on the following systems:

Wii U: NANO, Wii U, Nintendo 2DS (NTSC-J, PAL), Wii, 3DS (NTSC-J, PAL)

Wow File Finder's comment:

Elden Ring: Tarnished is the latest in a very active genre and fills a niche that Blackguards does not do, as well as the other fantasy action rpgs. It is by far the most complex, surprisingly relaxing, and fun game I have ever played.

They have a lot of post launch content planned in the future along with free updates.
